What I've Done

Helpdesk Technician | Turner Investments 2012-2014

- Helpdesk Support - Use Salesforce to monitor/maintain tickets
- End User support - Primary contact for employees
- Software/hardware troubleshooting (desktops/laptops/printers/mobile), system updates, virus protection/removal, configure mobile devices

Personal Music Technology Project 2012-2013

- Extensively study the digital music environment
- Contact major labels to gain knowledge on proper steps to legally sell digital music
- Discuss with music aggregators to conduct business
- Take info gathered to prepare business plan and begin web app

Appalachian Trail Thru-Hike 2012

- Backpack 7 days a week, across extreme terrain/weather, 2000+ miles
- Learn invaluable skills: self-motivation, determination, commitment, discipline, goal setting, and the sheer will to succeed

Misericordia University | Technician 2007-2009

- Manage & upgrade campus cable/internet infrastructure
- Tech support for everything but the kitchen sink

Stonewall | Caddie 2008-2013

- Build rapport, develop/maintain relationships with partners and guests
- Cater to, and fulfill, the needs of club partners; network

York College of Pennsylvania 2011

- B.S. Computer Information Systems

What I Believe

Be passionate.

Start with WHY.

Do something that matters.

Never be content.

Be different.

Never stop learning.

Get outside.

Listen.

Put others first.

Anything is possible.

“People don't buy WHAT you do, they buy WHY you do it.
And what you do simply proves what you believe.”
